Description:

Spring USA's Premium Adjustable Height Heat Lamp is a countertop, food warming lamp with a built-in receptacle for daisy chaining. The easy-turn knob located in back makes adjusting the height quick and simple. The receptacle allows up to (4) lamps to be daisy chained together.

Construction & Performance Features:

- Available in onyx or copper
- 18/10 polished stainless steel
- Power receptacle in back
- Adjustable height: 22"-26"
- Weighted base sits neatly behind a carving board or warming tray
- Bulbs included
- 5.5' power cord with plug
- Power ON/OFF switch

Standard Warranty:

- One year, parts & labor

Available Accessories/Alternative Configurations:

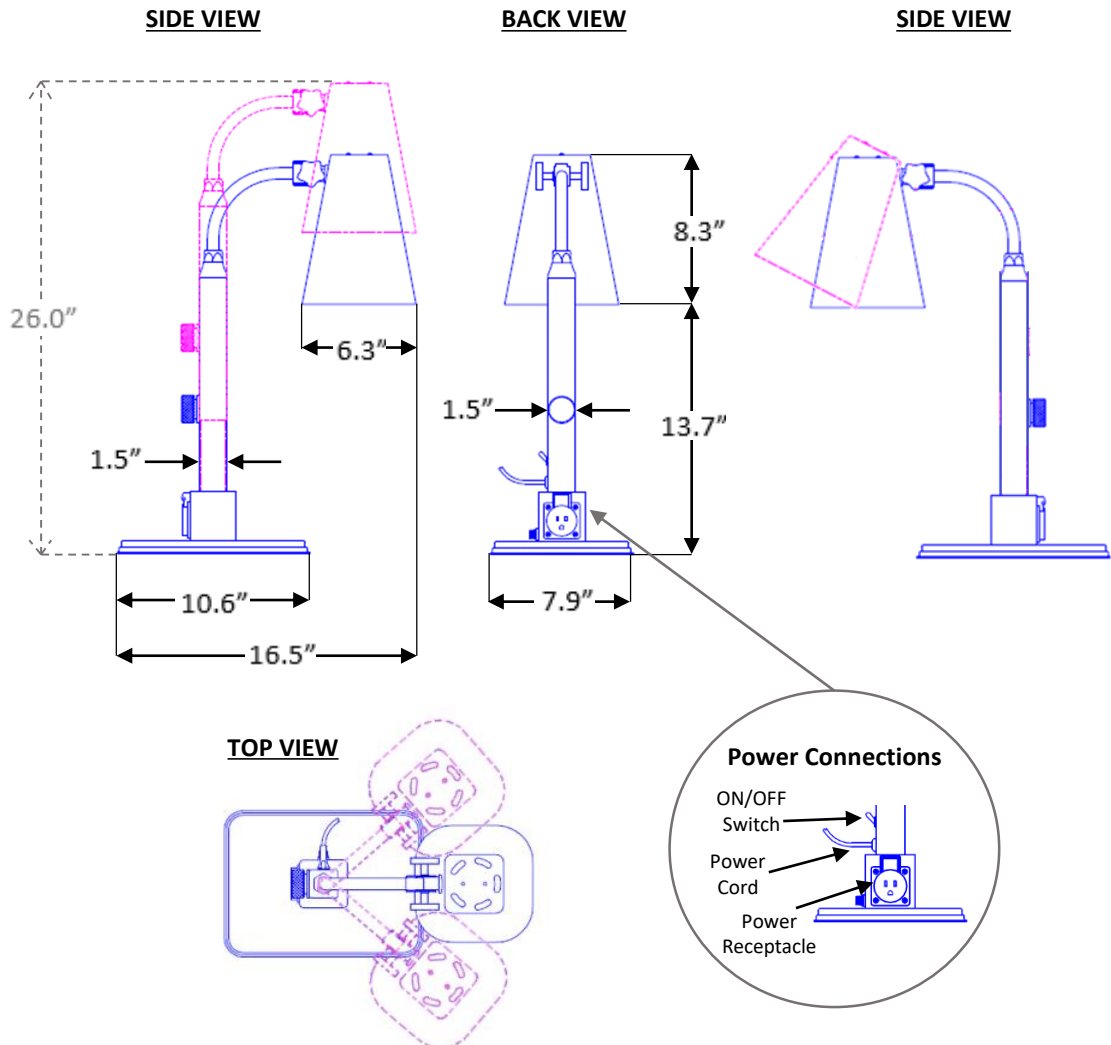

- Heated Mocha Carving Board [2794-6M]
- Warming Tray [ST-1220]
- Stealth Warming Tray [ST-1220-T]
- Single Pivot Head Heat Lamp [2791-5]
