Maintenance

Sneeze Guards and Safety Shields should be cleaned after every use to maintain appearance and prolong the life of the item. The guard or shield can be cleaned with a sponge or cloth and mild dishwashing liquid. Dry with a clean, soft cloth. To clean the acrylic, use a plastic cleaner and foam applicator or terry cloth towel. Do not use any ammonia-based cleaner on the acrylic. Do not use any abrasive material on the acrylic.

Warranty

All Sneeze Guards and Safety Shields come with a 30-day warranty from date of purchase against defects in material or workmanship.
